

# Traditional Archers of California

*Dedicated to the Preservation of Traditional Archery*

## From the Prez:

I love new beginnings, changes and positive energy. TAC has always been a difficult one, with folks not really understanding why they need to support another club, when they already belong to a local club....where we can gather regularly, shoot, practice and enjoy the camaraderie. Traditional clubs are “Beyond Special”.....Not only is this a gathering of like equipment...it is a gathering of like-minded folks, shots and distances set up for the enjoyment of all. It is a place for many to come and escape to a weekend under the stars, in the country, listening to sounds of

nature, enjoying vendors, friendships and welcoming new archers. I did share with Jeff, to get in a Bio, (still to come because he is incredibly shy)... But he did tell me to share email and phone info.

## Membership Bio:

Tammy Bowles...Newsletter Editor: I have been happily married for 32 years. I am the mother of 2 wonderful girls and 2 great son-in-laws, a grandmother of 1 and soon to be 2 !! I wasn't able to start archery as soon as my husband Jim did, but once our kids were able to stay by themselves for a few hours, I started into archery. I was inspired by Janice Walth, a blind shooter. I have been shooting now for just over 10 years. My first style of shooting was compound but recently, (I say 3 years), and have converted over to traditional. After joining Lodi Bowmen, I realized what a great group of people archers are and wanted to spend more time with them. My husband and I started going to different clubs to see different ranges. I wanted to become more involved, so I ran for a board position within our club. As of today, I have been secretary for 7 years. I enjoy this board position and when Marilyn asked me about TAC, I was more than happy volunteer as newsletter editor. Both Jim and I are NFAA/CBH members and have recently joined TAC. I look forward to promoting TAC as the editor of this newsletter.
