

**North American Longbow Safari
hosted by
Traditional Archers of California**

Dear Traditional Archery Vendor,

As you may have heard, Traditional Archers of California are planning the 34th annual North American Longbow Safari to be hosted at Rancho Neblina, West Petaluma, CA July 2nd and 3rd 2016.

Traditional Archers of California would like to invite you to attend and display your traditional archery products during the event. We would also like to ask you for your support in the form of door and raffle prizes. Having your ticket drawn, meeting the bowyer, and taking home a special prize is a big part of what makes this event successful and fun for all the participants.

TAC has and will use proceeds from our shooting events to fund many activities:

- * Hosting an annual Traditional Rendezvous
- * Hosting Western States Traditional Rendezvous
- * Youth Activities & Acknowledgements

Please email or call me with confirmation and/or Complete Registration form indicating you are a Bowyer. If you are unable to attend , donations can be sent to:
